Committee Meeting Agenda:

Due to the current conditions, the focus of this meeting has changed from our usual Spring Assembly agenda. Our essential tasks are:

1. Come to a consensus about our Archives open house scheduled for May 16
2. A short report from our Archivist
3. Discuss strategies to continue Archives functions of gathering and preserving the history of our Fellowship, and making it available to our members, in light of current civil and medical guidance for the health and safety of all.

Please feel free to share the link to this meeting with any interested members of the Fellowship, keeping in mind our treasured principle of Anonymity.

Committee Meeting Agenda:

In my Spring Newsletter report, I listed several topics other than conference concerns that could be discussed if time permits. I get a lot of questions about the responsibilities of District GV & LIT Chairs and group representatives. I plan to go over how to find this information and to review the purpose and function of the GV & LIT committee from the VAC Service Manual.

I would also like to get some input about how GV & LIT could be used under the current situation we are all facing. I believe we need to think this over and get motivated to come up with new ways to use these valuable tools to help all of us since we can't come together as groups.

GV & LIT has so much to offer, so if you plan on attending the meeting try to think of ways to use these tools of sobriety to help us through this difficult time. If you have any questions or comments please contact me at gvlit@aavirginia.org.

Thanks, and stay well.

Committee Meeting Agenda:

Due to the current social and medical events happening throughout the country our intention to move forward in a safe and responsible manner. As a result, our agenda has changed slightly.

At this time the committee will focus primarily on the VAC Inventory and the 2020 Growth Workshop.

We will also discuss the Meeting Guide App, the effectiveness of A.A.W.S. presence on YouTube, and ways that we might continue to carry the message in these uncertain times. We look forward to hearing from you during this conference call.
