SAFETY CARD FOR A.A. GROUPS

(The General Service Office has made this optional statement available as an A.A. service piece for those groups who wish to use it.)

Suggested Statement on Safety

Our group endeavors to provide a safe meeting place for all attendees and encourages each person here to contribute to fostering a secure and welcoming environment in which our meetings can take place. As our Traditions remind us, the formation and operation of an A.A. group resides with the group conscience. Therefore, we ask that group members and others refrain from any behavior which might compromise another person's safety.

Also, please take the precautions you feel are necessary to ensure your own personal safety, for example, walking to your car in a group after a meeting. If a situation should arise where someone feels their safety is in jeopardy, or the situation breaches the law, the individuals involved should take appropriate action. Calling the proper authorities does not go against any A.A. Traditions and is recommended when someone may have broken the law or endangered the safety of another person.
